

FOOD & AGRIBUSINESS

OVERVIEW

BCLP's Food and Agribusiness Practice is a leader in providing legal services for the agribusiness and food industries. Our lawyers have deep legal and operational experience in a myriad of "farm-to-fork" issues – from regulatory compliance, transactions and commercial finance, to commercial and product liability litigation and everything in between – and now have a broad international client base throughout the sector. We are leaders in representing producers, processors, suppliers, cooperatives, lenders and investors worldwide.

INDUSTRY SEGMENTS WE SERVE

- Dairy and dairy-derived food ingredients
- Beef, poultry, pork, eggs
- Vegetable and fruit crops
- Seeds and commodity crops
- Packaged food and food ingredients
- Alcoholic and non-alcoholic beverages

BCLP advises Ocado Group on its proposed acquisition of Myrmex Inc.

International law firm BCLP is advising UK listed Ocado Group (Ocado), the UK-based technology company providing end-to-end online grocery fulfilment solutions to some of the world's largest grocery retailers, on its proposed acquisition of materials handling robotics start-up Myrmex Inc. (Myrmex) for approximately €10.2 million. This follows Ocado's previous acquisition of a minority stake in Myrmex in October 2020.
