

## DEBT CAPITAL MARKETS

### OVERVIEW

Our debt capital markets team provides both transactional and regulatory advice to a broad range of clients on a wide variety of capital market products. We assist arrangers, issuers, trustees, consent solicitation agents, rating agencies, investors and other market participants in relation to EMTN programmes, stand-alone and high-yield bond issues, GDR's, convertible bonds and re-packagings as well as securitisation and other structured capital markets products in a variety of jurisdictions.

Our team is known for its fresh approach to our clients' private and public debt financings. Our in-depth specialist knowledge enables us to provide solutions, often in situations that are complex and challenging.

### **Issuance of Reverse Yankee Bonds remains active**

The sale of Reverse Yankee bonds by prominent US issuers – often with higher credit ratings – has recently continued at a rapid pace. Reverse Yankee bonds are debt securities issued by US issuers that are denominated in a foreign currency, frequently in euros or sterling. The Reverse Yankee bond market offers US issuers additional ways of obtaining debt financing on favourable terms. Prominent US companies that have tapped the Reverse

Yankee bond market in 2023 and year-to-date 2024 include Honeywell International, Becton, Dickinson and Company, AT&T, Proctor & Gamble, Paccar, Caterpillar, insurance companies New York Life and Pacific Life and automobile makers Ford Motor, American Honda and Toyota Motor Credit Corp.
